PAST EVENTS

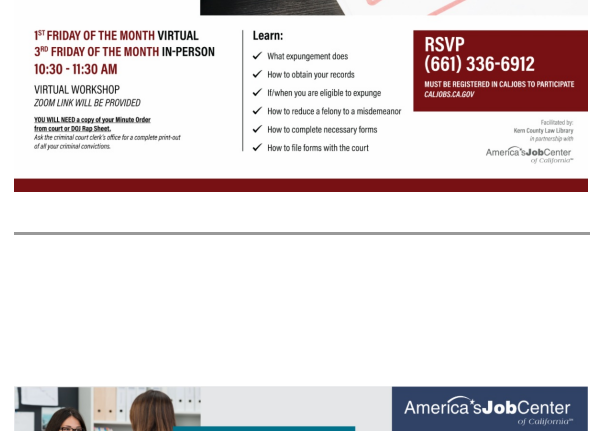

KERN COUNTY CAREER & STEM EXPO

2024 Career & STEM Expo

Employers' Training Resource sponsored and participated in the 7th Annual Career & STEM Expo on Friday, April 26th at the Kern High School District Career & Technical Education Center (CTEC). Over 150 exhibitors participated in this career awareness event to showcase their businesses and educational programs to educate over 3500 Kern County students (grades 7-11) in potential careers available to them when they complete high school. Also, a national keynote speaker and presenter, Jason Latimer from Impossible Science centers hosted two shows to the students on amazing science possibilities and the importance of continuing to wonder about our world.
